10 JOYCE KONIGSBERG, et al.,  
11 Defendants.

Case No. 21-cv-01134-PJH

**ORDER VACATING CASE  
MANAGEMENT CONFERENCE AND  
SETTING PRETRIAL SCHEDULE**

12  
13  
14 The parties in the above-captioned case have filed a joint case management  
15 statement, in advance of the case management conference set for December 14, 2023.  
16 See Dkt. 70. The parties' statement indicates that there is only one dispute that needs to  
17 be resolved at this time, namely, the parties' competing proposals for the pretrial  
18 schedule. Plaintiffs propose a fact discovery cutoff of May 31, 2024 and a trial date of  
19 February 3, 2025, while defendants propose a fact discovery cutoff of November 30,  
20 2024 and a trial date of November 1, 2025. See Dkt. 70 at 6. In the court's view,  
21 defendants' proposed schedule would result in unnecessary delay, with a trial date nearly  
22 two years away. Accordingly, the court adopts plaintiffs' proposed schedule, as follows:

23	Fact discovery cutoff:	May 31, 2024
24	Designation of opening experts:	August 30, 2024
25	Dispositive motion hearing deadline:	October 3, 2024
26	Designation of rebuttal experts:	October 18, 2024
27	Expert discovery cutoff:	December 13, 2024
28	Pretrial conference:	January 2, 2025

1 Trial date: February 3, 2025  
2 The case management conference set for December 14, 2023 is VACATED.  
3

**IT IS SO ORDERED.**

4 Dated: December 11, 2023
